## Agility:

Beginner: No prior Experience needed, this is an introduction to agility.

Intermediate: The instructor will give permission to move from the Beginner to Intermediate when you and your dog have acquired sufficient skills.

Advanced: The instructor will give permission to move from Intermediate too Advanced when you and your dog have acquired sufficient skills.

**Reactive Dog**: You must get instructor permission to move from the Reactive Dog class to agility. While we keep the class small, the dogs need to focus on the task and not each other.

### **Foundations:**

Semi Private: Basic training foundations. Great for dogs who have graduated class, camp or private lessons and looking to further their foundation skills in everyday obedience and manners.

**Remote**: Basic Remote Collar Training. Great for dogs who have graduated camp or private lessons. This class focuses on understanding the use of remote and the application of it to improve your communication and consistent application of the remote collar.

**Reactive Dog:** This class focuses on dogs that react aggressively to the environment around them. This includes people and dog aggression issues. The focus of this class is to manage your dogs attention and desensitize them to the surroundings. This class meets outdoors and is weather dependent. Always check Jabula's social media for an update.

**Fieldtrip:** Taking your training into the real world. We meet at at different parks each week, the focus is getting your dog walking nicely and applying manners in public. The class is weather dependent. Always check Jabula's social media for updates.

### **Rally Obedience:**

Beginner: Basic obedience is required. This class is a form of competitive obedience, but you can do it for fun and mental engagement without competing. The foundation of the class is based on focused heel and sequencing Obedience at various stations.

Intermediate: Instructor approval required to move from Beginner too Intermediate.

Advanced: Instructor approval required to move from Intermediate too Advanced.
